Basic Information

- Certification: CE
- Minimum Order Quantity: 100

Product Specification

- Weight: 1.5 Lbs
- Size: Standard
- Type: Disc Brake
- Part Number: 34212312345
- Material: Steel
- Color: Black
- Fitment: Direct Replacement
- Country Of Origin: Germany
- Highlight: **bmw motorcycle brake parts 1.5 lbs, replacement bmw motorcycle brake pads, replacement bmw motorcycle brake parts**

Product Description

Product Description:

Our brake parts are compatible with a wide range of BMW motorcycle models, so you can find the perfect fit for your specific bike.

Whether you need a new front brake rotor, rear brake rotor, or a complete set of brake pads, we've got you covered.

Each of our BMW motorcycle brake parts comes with a 1-year warranty, giving you peace of mind and confidence in your purchase. You can trust that these parts will deliver the quality and reliability you need to keep your bike running smoothly for years to come.

In each package, you'll receive 1 brake rotor and 1 set of brake pads, providing you with everything you need to upgrade or replace your current braking system. Our BMW brake calipers are designed to meet or exceed OEM specifications, ensuring the best possible performance and safety on the road.

While our brake parts are specifically designed for BMW motorcycles, they can also be used as Kawasaki motor parts in many cases. If you're unsure about compatibility, please don't hesitate to reach out to our team for assistance.
