Weight	0.5 Lbs
Package Quantity	2 Pieces
Type	Brake Pads
Durability	Long-lasting
Material	Ceramic
Warranty	1 Year
Performance	High Braking Power
Dimensions	4.5 X 3.5 X 0.5 Inches
Compatibility With Abs	Yes

### Applications:

The YAMAHA motorcycle brake pad parts are compatible with ABS, making them an excellent choice for modern motorcycles. ABS is a safety feature that helps prevent the wheels from locking up during braking, ensuring that the rider maintains control of the motorcycle at all times. These brake pads are also compatible with other brake system parts such as brake drums, shoes & components, and more. YAMAHA motorcycle brake pad parts are suitable for a variety of occasions and scenarios. They are perfect for regular daily use, whether you are commuting to work or running errands around town. They are also ideal for long rides and road trips, providing a smooth and comfortable braking experience throughout the journey. These brake pads are also great for off-road adventures, providing reliable stopping power even on rough terrain.

YAMAHA motorcycle brake pad parts are compatible with all YAMAHA motorcycles, making them a versatile product that can be used by a wide range of motorcycle enthusiasts. Whether you own a YAMAHA cruiser, sport bike, or dirt bike, these brake pads will provide excellent performance and reliability.

### Customization:

### Support and Services:

YAMAHA offers a wide range of motorcycle brake parts including brake pads, brake discs, brake calipers, and brake lines. Our brake parts are designed to provide reliable and consistent performance for your motorcycle.

We also offer technical support and services to ensure proper installation and maintenance of your brake parts. Our knowledgeable technicians can provide assistance with brake part selection, installation procedures, and troubleshooting.

In addition, we offer brake fluid testing and analysis services to help ensure the optimal performance of your brake system. Our testing services can help identify potential issues before they become major problems, allowing for preventative maintenance and improved safety.

At YAMAHA, we are committed to providing high-quality brake parts and exceptional customer service to ensure a safe and enjoyable riding experience for our customers.

## **Packing and Shipping:**

### **Product Packaging:**

The YAMAHA motorcycle brake parts product will be packaged in a sturdy cardboard box.

The box will be labeled with the product name, model number, and quantity.

The brake parts will be securely wrapped in bubble wrap or foam to prevent any damage during shipping.

Installation instructions and safety precautions will be included in the package.

### **Shipping:**

We offer free shipping for the YAMAHA motorcycle brake parts product to customers within the United States.

Shipping to other countries will be calculated at checkout and based on the destination and order weight.

The product will be shipped within 1-2 business days after the order is placed.

Customers will receive a tracking number so they can follow the delivery status of their order.

Delivery times may vary depending on the destination, but customers can expect to receive their order within 5-7 business days within the United States.
