- Installation Method: Bolt-on
- Product Type: Clutch Kit
- Highlight: universal motorcycle spare part,  
motorcycle spare part 8mm,  
130mm motorcycle clutch kit

## Product Description

### Product Description:

#### Features:

Product Name: Motorcycle clutch kits

Color: Black

Product Type: Clutch Kit

Weight: 1.5kg

Installation Method: Bolt-on

Warranty: 1 Year

Keywords: Motorcycle clutch upgrade kits, Motorcycle clutch service kits, Motorcycle clutch installation kits

### Technical Parameters:

Product Attribute	Value
Product Type	Motorcycle clutch maintenance kits
Installation Method	Bolt-on
Package Contents	1x Clutch Pressure Plate, 6x Clutch Friction Plates, 5x Clutch Springs, 1x Clutch Hub, 1x Clutch Center
Material	Steel
Number Of Plates	6
Color	Black
Inner Diameter	110mm
Outer Diameter	130mm
Compatibility	Universal
Warranty	1 Year

### Applications:

The Motorcycle clutch upgrade kits come with a variety of components, including 1x Clutch Pressure Plate, 6x Clutch Friction Plates, 5x Clutch Springs, 1x Clutch Hub, and 1x Clutch Center. These components work together to deliver a smooth and responsive clutch system for your motorcycle.

Our Motorcycle clutch assembly kits are suitable for a wide range of motorcycles and are easy to install. With an inner diameter of 110mm, outer diameter of 130mm, and thickness of 8mm, these clutch kits are compatible with most motorcycle models.

These Motorcycle clutch assembly kits are ideal for various occasions and scenarios. If you're looking to upgrade your motorcycle clutch system, our clutch upgrade kits are the perfect solution. Whether you're a professional motorcycle racer or just looking to improve your motorcycle's performance, our clutch assembly kits are the perfect choice.

Additionally, if you're experiencing clutch problems such as slipping, dragging, or difficulty shifting gears, our Motorcycle clutch assembly kits are the perfect replacement option. With the included components, you can easily install the clutch system and experience improved performance and reliability.

In conclusion, our Motorcycle clutch assembly kits are a reliable and efficient clutch system upgrade for any motorcycle. With easy installation, a variety of components, and a one-year warranty, you can trust in the quality and durability of our product.
