Applications:

These brake shoes are designed to fit HONDA motorcycles perfectly, providing a long life and reliable performance. The black color of the brake shoes complements the overall look of the bike, giving it a sleek and professional appearance.

But where can you use these brake shoes? The answer is simple - anywhere you need to replace worn-out or damaged brake shoes.

Tajiang's Drum Brake Shoes are suitable for a variety of occasions and scenarios, including but not limited to:

Regular maintenance of your HONDA motorcycle

Replacing worn-out brake shoes during servicing

Emergency repairs due to brake system failure

Custom bike builds where the brake system needs to be replaced or upgraded

These brake shoes are a crucial component of the brake system, working in tandem with the Brake Drums to slow down and stop the motorcycle. When it comes to Shoes & Components, Tajiang's Drum Brake Shoes are the perfect choice for HONDA motorcycle owners looking for a reliable and high-quality product.

With a minimum order quantity of 10, these brake shoes are perfect for both individual motorcycle owners and mechanics who need to stock up on spare parts. The standard size ensures compatibility with most HONDA motorcycles, making it easier to find the right fit for your bike.

Customization:

Looking for product customization services for your motorcycle brake shoe needs? Look no further than Tajiang – a leading brand in the industry, originating from China and certified with CE. Our brake shoes & linings are designed to fit standard size Honda Big Brake Kit, Brake Drum and Brake Shoe Assembly, making installation easy and hassle-free.

Our minimum order quantity is 10, with a lead time of usually 20 days. We specialize in serving the main markets of South America, Middle East, Africa, and more. With a long life-span, our brake shoes are built to last and provide reliable performance for all your motorcycle needs.

Our Motorcycle brake shoe product is designed to provide reliable and consistent stopping power for your motorcycle. We offer technical support to assist with installation and maintenance of our brake shoe product, ensuring optimal performance and safety. Our services include:

Expert technical advice

Installation support

Maintenance assistance

Product troubleshooting

Product warranty

We are committed to providing exceptional service to our customers and ensuring their satisfaction with our product. If you have any questions or concerns regarding our Motorcycle brake shoe product, please do not hesitate to contact us.

Packing and Shipping:

Product Packaging:

Each brake shoe will be individually wrapped in plastic to protect it from scratches and damage during transportation.

All brake shoes will be placed in a sturdy cardboard box with proper cushioning to prevent any movement during shipping.

The box will be labeled with the product name, quantity, and any necessary handling instructions.

Product Shipping:

Orders will be processed within 24 hours of purchase.

Shipping will be done through a reliable courier service.

Delivery times may vary depending on the destination, but standard shipping times are estimated to be between 3-7 business days.

Customers will receive a tracking number once the order is shipped, so they can track their package's progress.
