### Technical Parameters:

Manufacturer:	Suzuki Motor Corporation
Color:	Silver
Package Content:	1 Set Of Brake Parts
Warranty:	1 Year
Position:	Front
Type:	Disc Brake
Country Of Origin:	Japan
Size:	Standard
Material:	Metal
Weight:	1.5kg

### Applications:

These brake parts are specifically designed for the Suzuki GN125 model and ensure optimal performance and safety for your bike. Whether you are a casual rider or a professional motorcycle racer, these brake parts are a must-have for your motorcycle maintenance kit.

The Suzuki GN125 brake parts are compatible with other Suzuki motorcycles, allowing you to use them across different models. The metal material used in their construction ensures durability and long-lasting performance, even under extreme conditions.

These brake parts are also compatible with Kawasaki hydraulic parts, making them a versatile addition to your motorcycle maintenance kit. Whether you are replacing old brake parts or upgrading your motorcycle's braking system, these Suzuki GN125 brake parts are an excellent choice.

The Suzuki GN125 brake parts are ideal for various application occasions and scenarios. They are perfect for regular maintenance, ensuring optimal performance and safety while riding your Suzuki motorcycle. They are also ideal for professional motorcycle racers who require exceptional braking performance and reliability during races.

In conclusion, the Suzuki GN125 brake parts are an essential component of your Suzuki motorcycle's braking system parts. They are made of high-quality metal, are compatible with other Suzuki motorcycles and Kawasaki hydraulic parts, and are ideal for various application occasions and scenarios. Whether you are a casual rider or a professional motorcycle racer, these brake parts are a must-have for your motorcycle maintenance kit.

### Customization:

Customize your Suzuki motorcycle brake parts for the GN125 model with our Electric Motorcycle Parts product customization services. Choose from a Standard size and enjoy a 1 Year warranty when you purchase from us. These brake parts are designed to fit the Front

position of your GN125 and are made in Japan - a country known for producing high-quality Kawasaki Motor Parts. The sleek Silver color will complement the look of your motorcycle.

## Support and Services:

Suzuki offers technical support and services for their motorcycle brake parts product. This includes:

Expert advice on installation and maintenance

Repair services for damaged or worn brake parts

Warranty coverage for defective parts

Access to genuine Suzuki replacement parts

Product documentation and manuals for reference

Customers can contact Suzuki for assistance with any technical issues or questions related to their motorcycle brake parts.

## Packing and Shipping:

Product Packaging:

The Suzuki motorcycle brake parts product will be packaged in a sturdy cardboard box with the Suzuki logo printed on the top. Inside the box, the brake parts will be securely wrapped and protected with foam padding to prevent damage during shipping. The packaging will also include a product manual and any necessary installation hardware.

Shipping:

We offer free shipping for the Suzuki motorcycle brake parts product within the United States. Orders will be processed within 1-2 business days and shipped via standard ground shipping. Expedited shipping options are also available for an additional fee. We ship to physical addresses only and do not ship to P.O. boxes. Customers will receive a tracking number once the order has been shipped.

## FAQ:

**Q: What are the brake pads made of?**

A: The brake pads for the Suzuki GN125 model are made of high-quality ceramic composite material, providing excellent stopping power and durability.

**Q: How many brake pads are included in the package?**

A: The package includes two brake pads, enough for one brake caliper. To replace the brake pads on both front and rear wheels, you will need to purchase two packages.

**Q: Are these brake pads compatible with other Suzuki motorcycle models?**

A: No, these brake pads are specifically designed for the Suzuki GN125 model. Using them on other models may result in reduced performance and safety hazards.

**Q: How long do these brake pads typically last?**

A: The lifespan of the brake pads will depend on various factors such as riding style, frequency of use, and road conditions. However, on average, these brake pads can last up to 12,000 miles.

**Q: Are these brake pads easy to install?**

A: Yes, these brake pads are designed for easy installation and can be installed by a professional mechanic or a skilled DIYer. However, make sure to follow the manufacturer's instructions carefully for optimal performance and safety.
