Installation Method	Bolt-on
Color	Silver

Applications:

Our brake parts come with a 1-year warranty, ensuring that you are getting a reliable and long-lasting product that you can trust. These parts are specifically designed for the GN125 model, so you can be confident that they will fit perfectly and provide excellent stopping power for your motorcycle.

Whether you are a professional mechanic or a DIY enthusiast, our Suzuki motorcycle brake parts are an excellent choice for those looking to maintain or upgrade their brake system. These parts are also suitable for use in electric motorcycle parts and electric bike parts, providing versatility and convenience for those working on a variety of different vehicles.

Some of the occasions and scenarios where our Suzuki motorcycle brake parts can be useful include:

Regular maintenance on your GN125 motorcycle, ensuring that your brake system is in good condition and working properly;

Upgrading your brake system for improved performance, especially if you frequently ride in challenging or hilly terrain;

Replacing worn or damaged brake parts, restoring your motorcycle's braking power and safety;

Customizing your GN125 with high-quality, reliable brake system parts that are made to last.

Whatever your needs may be, our Suzuki motorcycle brake parts are an excellent choice for anyone looking for reliable, high-quality parts that are made to last. Order yours today and experience the difference for yourself!

Customization:

Our expert team can assist you with customizing these brake parts according to your specific needs and requirements. Whether you need them for personal use or for your business, we can help you with a range of services including custom branding, packaging, and labeling. In addition to Suzuki motorcycles, we also offer similar product customization services for Kawasaki spare parts and electric bike parts. Contact us today to learn more about how we can help you with your brake system needs.

Support and Services:

Our Suzuki motorcycle brake parts are designed with high-quality materials and precision engineering to ensure maximum performance and safety on the road. We offer comprehensive technical support and services to assist you with any questions or issues you may encounter with our products. Our team of experts is available to provide guidance on installation, maintenance, and troubleshooting, as well as to help you identify the appropriate brake part for your specific motorcycle model and year. Additionally, we provide warranty coverage for all of our products, giving you peace of mind knowing that you are protected against any defects or malfunctions. Contact us today to learn more about our Suzuki motorcycle brake parts and technical support services.

FAQ:

Q: What type of brake pads does the Suzuki GN125 use?

A: The Suzuki GN125 uses organic brake pads.

Q: Can I use ceramic brake pads on my Suzuki GN125?

A: It is not recommended to use ceramic brake pads on the Suzuki GN125 as they may not provide sufficient stopping power.

Q: How often should I replace the brake pads on my Suzuki GN125?

A: The brake pads on the Suzuki GN125 should be replaced every 12,000 km or sooner if they become worn or damaged.

Q: What is the recommended brake fluid for the Suzuki GN125?

A: The recommended brake fluid for the Suzuki GN125 is DOT 4.

Q: Can I use aftermarket brake parts on my Suzuki GN125?

A: It is recommended to use genuine Suzuki brake parts on the GN125 as they are specifically designed for that model. However, if using aftermarket parts, ensure they are compatible with the GN125 and meet safety standards.
